

## NOTE

Information concerning archaeological sites and surveys has been removed from **THP 1-24-00103-MEN** pursuant to California Government Code Section 6254.10 which exempts cultural resources site location information from the California Public Records Act and provides authority for widespread state policy (not just within the California Department of Forestry and Fire Protection) to keep archaeological site location information confidential. This exemption to the Public Records Act recognizes that providing site location information to the public may put such sites at risk from artifact hunting, excavations and/or vandalism.

Copies of the information have been sent to the following locations to facilitate review of the project:

1. CAL FIRE field unit – Willits
2. Reviewing Archaeologist, Santa Rosa (Region Office)

The original copy of this material is maintained in a confidential file at CAL FIRE Northern Region Headquarters, 135 Ridgway Avenue, Santa Rosa, CA 95401.
